

SRS2 EID Stick Reader

EID scanning made easy

Quickly and easily read, record and transfer EID tag information.

Keep track of individual animals with the easy-to-use, ergonomically designed SRS2 EID Stick Reader.

Suitable for cattle, sheep and deer, the SRS2 features a large, highly readable screen to display the session count, EIDs and pre-loaded VID numbers.

Bluetooth® wireless technology connects with your Weigh Scale Indicator and means you can easily send session information to NLIS via the Data Link smartphone app.
